ELEVATION NIGHT VIEW

Dear Bengahuru,

In a city where space is rare and homes shrink every year,
we did the unthinkable, we gave soo much.

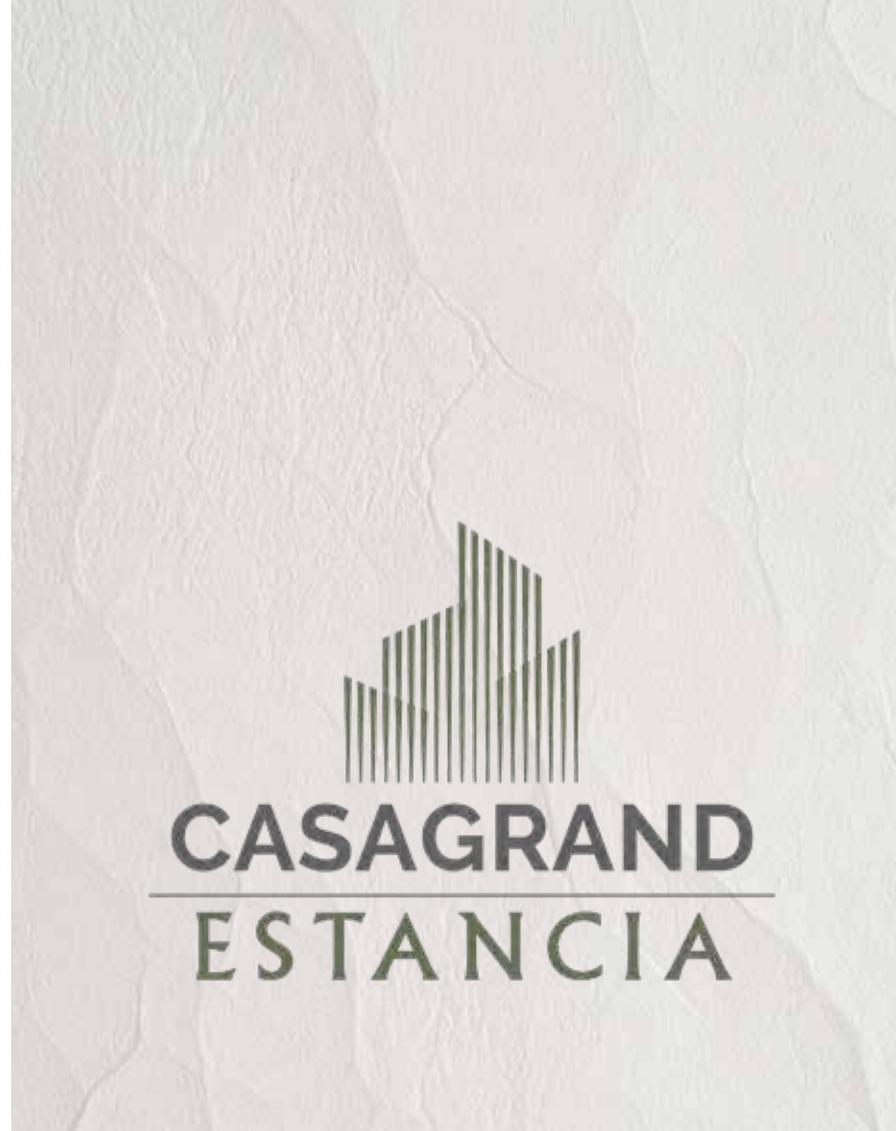

Soo much air. Soo much green. Soo much life. Soo much freedom.

So if you're looking for small, stuffy apartments?
Sorry, this isn't it!

Love

Team Casagrand

There is *soo much* inside!

It began with **7.32 acres** then we thought, why not **429** finely crafted apartments on B+G+13 floors? then came **73** amenities, a **22,500 sft.** grand clubhouse that demanded its own spotlight, and a **11,500 sft.** pool big enough to outshine resorts.

we have dedicated **5.5 acres** of open space, so your mornings begin with greenery and your evenings end with calm and then, we raised the skyline with a majestic **Dubai-styled elevation**, bringing International grandeur to Kogilu

Somewhere along the way, we realized - we weren't just building homes we were rewriting what it means to live large in Kogilu if that sounds like too much... we can't help it because when it comes to creating your dream home, too much is never enough

Casagrand Estancia

Where living big isn't a choice - it's a standard
